

Frédéric MATAN Workshop

Established at the *Domaine des Trois Fontaines Pouget*, the Frédéric Matan workshop conducts creation, interior design and restoration for individuals, private companies or public communities and French administration.

Frédéric Matan workshop is recognized by *Monuments of France* and he often works on most well know historical monuments.

In 2004 his skillfulness is officially distinguished by his peers and he has been rewarded as *Best Craftsman of France* ("Meilleur Ouvrier de France") as a Stone Carver and Sculptor.

The title of *Best Craftsman of France* is the result of many years of work and personal research.

Frédéric MATAN workshop with its performing tools, its stone lathe, able to undertake large-scale projects in hard or soft stone.
